## Valued guests!

### Welcome to the 1st Carinthian Fun Park!

#### What we offer you?

It is a special offer. Adventure park and seaside resort are ready to be explored. Between Nautic jet, giant water slide and Mars mission, numerous attractions are waiting for you. There is no „either - or“ with us, but rather a „both - and“. With one entrance fee you can use all the games and rides for free. You can switch between the swimming and park areas as often as you like. Whether you want to ride a pedal boat, jump on a trampoline or play dredging with your kids - everything is ready (at the push of a button).

#### Who are our most important guests?

We see ourselves as a family park. Our star guests are your children. We see it as our common task, together with you parents, to make it possible for these star guests to have a great day. We do not sell alcohol or cigarettes, but we do sell ice cream, chips, schnitzel and coke. We have a separate area reserved exclusively for the little ones. Our safety rules for rides, boating, stand up paddling and pier use are especially aimed at protecting the youngest guests. Dogs are not allowed in the facility.

#### What are we guaranteeing you?

1. If we close the facility on the day of your visit due to weather, you will receive a voucher for your next admission in full. This is our fair weather guarantee.

2. If you don't like the offer and you leave within 30 minutes of your arrival, we will refund you in full. This is our satisfaction guarantee.

3. Should you not be satisfied with our portions in the Seetaverne, we will give you a free second helping of the respective dish. This is our gourmet guarantee.

#### What do we value?

We are known for being one of the cleanest parks in the world. The lake has drinking water quality. Our meadows and plants are maintained by the gardener. Please help us with cleanliness and hygiene and take advantage of our waste separation service. Use the sanitary facilities as you would your own at home and behave considerately towards the „mini adventure parkers“.

**We are looking forward  
to your visit!**
